The Honorable Lionel H. Olmer  
Under Secretary for International  
Trade  
Department of Commerce  
Washington, DC 20230

Dear Lionel:

As I told you, I have been working on a list of people whom I felt should be the nucleus as an advisory group on Asia. In addition to myself, I enclose herewith a list of names which I highly recommend for this group.

I am looking into additional names, but I hasten to give you this list of names in the interim.

Best personal regards,

Max Hugel  
Deputy Director  
for  
Administration
